When you purchase a 3M™ Littmann® Stethoscope, you are investing in a quality instrument that should last for many years. Beyond excellent product warranties, 3M offers service and refurbishment that is unmatched in the industry.

The 3M Health Care Service Center is dedicated to providing you with prompt and efficient service

- The 3M Health Care Service Center provides free repair and service for Littmann stethoscopes while under warranty.
- For Littmann stethoscopes no longer under warranty, refurbishment* and cleaning services are available for a charge. Your refurbished stethoscope will carry a two year warranty. (90 days for the Select and Lightweight models.)**
- Your Littmann stethoscope will be promptly serviced within 24 to 48 hours of its arrival at the 3M Health Care Service Center, then shipped back to you at our expense. Shipping times may vary.

How to send in your stethoscope for repair

- Write a short note explaining the repair or service you require, the approximate date you purchased your Littmann stethoscope, your name, address, and phone number. Include it with your stethoscope.
- Package your stethoscope and send it via a traceable courier. U.S. Customers: Use the label at right to mail your stethoscope to the 3M Health Care Service Center.
- If you have additional questions regarding your order, contact the 3M Health Care Service Center at **Telephone:** 1-800-292-6298 **Fax:** 1-800-770-8016 **E-mail:** healthcare@3M.com

Outside of the U.S., please contact your local 3M subsidiary (see back panel) for additional information

* Refurbishment includes thorough cleaning of the chestpiece and replacement of the tubing, eartubes, diaphragm and rim, nonchill sleeve, and eartips.
 ** Please contact the Service Center for explanation of repair charges and warranties on Littmann Electronic Stethoscopes.
 Plus applicable State Sales Tax. Prices are subject to change without notice.
